Sir,

Adverting to the Chief Commis=sioner's Proceedings No. 3124/R 58 of the 26th Ultmo, I have the honor to state that, it would appear from the Deputy Commissioner's report, that the Sham=boger Venkata Dassappa has a brother (Subbiah) who is reported to have been supporting half of the Jodi lands now relinquished.

2. This brother, is reported to have subsequently sent in an. ap=plication agreeing to take up the lands on full assessment, but the ap=plication has not been disposed of pending final orders regarding the acceptance or otherwise of the resignation tendered by Venkata Dasappa

3. Captain Ludlow further report=
=ed that Subbiah has given in a statement
to the effect that he has no objection
to the Razeenamah being accepted,
and that he would be glad to take
up the lands himself, if permitted.
But this request cannot be complied
with, as Subbiah is not the Of=
=ficiator Shanbogue.

The Deputy Commissioner of the Túmkúr District having reported that Venkatdasappa, Shanbhog of the Haralur and two other villages in the Túmkúr Taluk, has resigned the marginally noted service inam lands attached to his office on the ground that they are not remunerative, I have the honor to solicit the Chief Commissioner's instructions with reference to the acceptance or otherwise of the razinama.

From the Commissioner, Nundydroog Division, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. R. 82, dated Bangalore, 24th July 1876.

Adverting to the Chief Commissioner's Proceedings No. 3124—R. 58 of the 26th ultimo, I have the honor to state that it would appear from the Deputy Commissioner's report that the Shanbhog Venkatdasappa has a brother (Subbaiya) who is reported to have been enjoying half of the jodi lands now relinquished.

2. This brother is reported to have subsequently put in an application agreeing to take up the lands on full assessment, but the application has not been disposed of pending final orders regarding the acceptance or otherwise of the resignation tendered by Venkatdasappa.

3. Captain Ludlow further reported that Subbaiya has given in a statement to the effect that he has no objection to the razinama being accepted ; and that he would be glad to take up the lands himself, if permitted. But this request cannot be complied with as Subbaiya is not the officiator Shanbhog.

From the Survey and Settlement Commissioner, Mysore, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 1183, dated Poona, 19th September 1876.

With reference to your No. 4808—152 of the 10th ultimo, I have the honor to inform you that it is extremely unadvisable to attempt to apply any part of the rules for the permanent remuneration of Patels and Shanbhogs, as such, except in the complete carrying out of the final settlement by the Settlement Department.

2. But quite apart from the rules for final remuneration there is no objection whatever to any Patel or Shanbhog being allowed to resign any entire Survey No. in a settled village and to his total jodi payment being reduced by the survey assessment of the entire number so resigned.

No. 6732—Rev. 115, dated Bangore, 9th October 1876.

Order thereon.—The razinama in the pent case may be accepted, and the lands fully assessed, on the understanding that the existing scale of temporary remuneration will not be disturbed until the permanent settlement by the Survey Department takes place.
